Autumn is the gay colorful period in the school year. It is symbolized by football games, loud excited voices, and bright colors, blue 'n gold at MHS. This is the time the student government takes office and sophomores enter Oilerville.

The somber period is Winter. Trees lose their leaves; colors are subtle, and voices are hushed. The Christmas activities predominate this season.

Spring is the awakening time when light pastel colors make their debut. Voices of Spring are full of anticipation, excitement, and herald the arrival of summer vacation.

MR. GEORGE M. SCHURR

The Montebello School District has been privileged to have Mr. Schurr on its staff in the capacity of business manager. His twenty years of service has been a wonderful contribution to the youth of Montebello.

SUSAN HILBERT

Leukemia took the lives of two MHS seniors last summer, Susan and John Cota. An active Thespian, Susan was president of the club last year, and also was the West Coast Representative of the Elizabeth Taylor Fan Club.

Best of luck to you, George. I hope you have a wonderful vacation. I hope that I may see you next year as well. Always yours, Nan

JOHN COTA

Coming from Carlsbad Military Academy with the title of All-CIF Wrestling Champion, Johnny participated on the '56 Championship Varsity Football team as an End. He excelled in every sport he entered, and being unable to contend on the Wrestling squad, he chose Golf and again was considered one of the best.

BARBARA NAN KINCH

The sudden and unexpected passing of Barbara saddened the hearts of all her friends throughout MHS. As a Junior, she participated in Hi-Jinx and was a Banner Carrier for the MHS Band. She was a member of the Luma-Ki Tri-Hi-Y, and the Job's Daughters.

Dear Virginia,
Hi! Here it

of the biggest years
of your soph. It goes so fast
each year will be one

than the last. I know it goes so fast
I'm so happy I got to know

to you and your family. Love,

MR. ROBERT S. HEAMAN
Principal

Many changes have taken place in the curriculum and size of Montebello Senior High this year. Mr. Heaman initiated the double lunch, and skillfully handled the largest class yet to enter Oilerville. We have a record enrollment of over 2,000. Mr. Heaman ends his ninth year for the district, and his sixth as principal of Montebello Senior High.

Trying to conceal his emotion at a CIF football game, Mr. Heaman ruefully observes opponent's score.

Assistant Principal

A loyal Oiler, Mr. Wohlheter defends and supports the student body for a just cause. He has been at Montebello Senior High for five years. In 1956 he took the position of assistant principal; previously he was Dean of Boys at MHS.

MR. WALTER WOHLHETER

Highly esteemed by the student body, Mr. Earl Ody doesn't miss an Oiler activity. He is very interested in sports and welfare of our school. Mr. Ody completes his eighth year at Montebello Senior High.

Most Valuable Player

BOB BAGWELL

Chosen to this position because of his outstanding record in the past three years is Bob Bagwell (22), halfback. He has shown great speed and maneuverability, winding up the '57 season with a total yardage of 742 — carrying the ball 114 times for an average of 6.5 yards per carry.

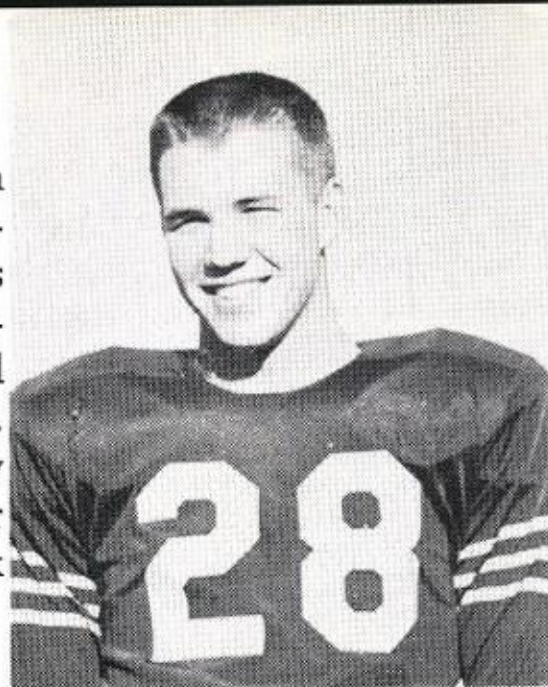

This has been Bagwell's best year, as he has scored a total of 15 TD's. The Bagwells have been a long time support of Montebello with Gary, Don and Ken Bagwell, and with Bob's departure, will end the tradition of football from the Bagwells at Montebello, a great loss in anyone's book.

ROGER KELLY

During the football season Kelly played passing quarterback and averaged 52 yards a pass with 96 passes attempted with 50 of these completed for a final total of 856 yards. Kelly was also honored by the Times newspaper as their choice of Athlete of the Week of November 15.

GORDON DOTSON

Dotson played behind all CIF center Bob Edwards all of last season, and during this year he almost kept up with his record. Although not as strong as Edwards, Dotson was fast and blocked well, a good characteristic in centers.

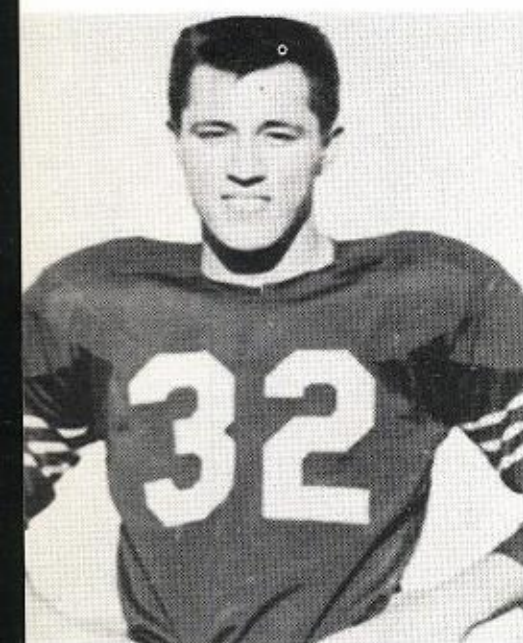

AL PETRUSHKIN

One of the key pass receivers on the Oiler squad is Al Petrushkin who received 14 passes for a total of 219 yards. He is also listed as one of the highest scorers with 24 points. Petrushkin had the record for the most passes received out of all the other receivers.

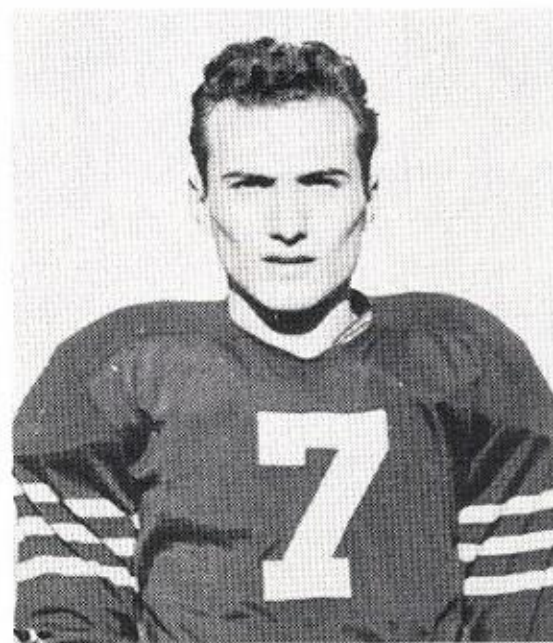

OTIS McCURRIE

Though weak on blocking last year, McCurrie was considered the best receiving end on the team. But, due to an injury was unable to continue and was replaced by Al Petrushkin in end position.

FRANK CRUZ

Guard Frank Cruz showed great talent during the football season as he kept the defending teams away from the Oiler squad and showed that he had great ability in this field.

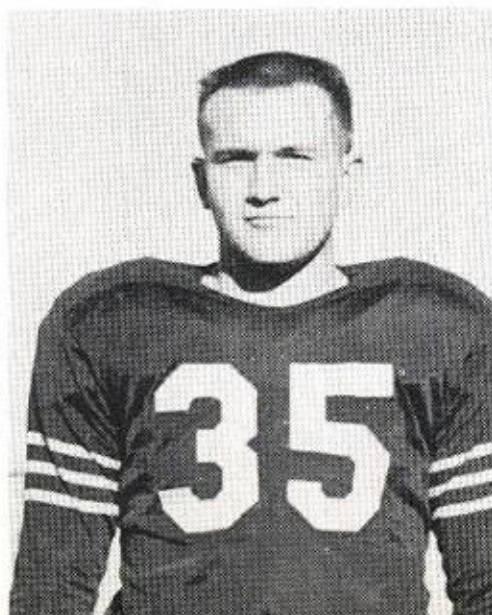

LOUIE SANCHEZ

Louie received an injury during the non-league season and was unable to participate in League play, but during the season carried the ball 145 times for a total of 96 yards for a 6.9 average yards per carry.

BILL BARTON

Barton, who weighs in at more than 190 lbs., was considered superior to last year's tackles by the Oiler coaching staff. He played B football in his sophomore year and saw mostly JV action last year.

BILL DOUGLAS

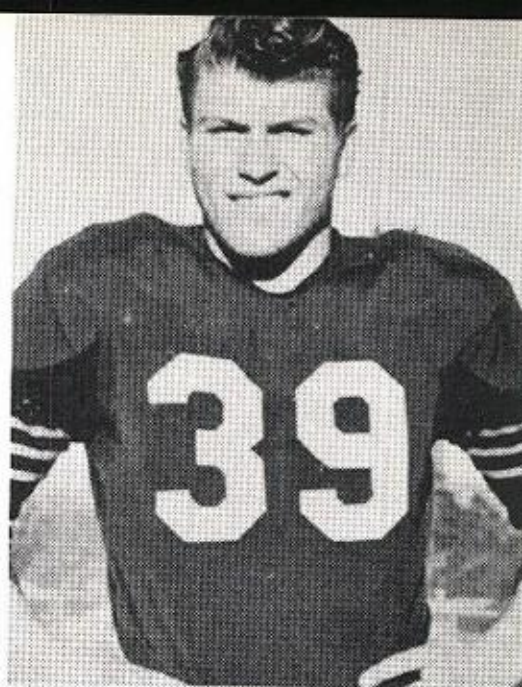

Second passer for the team is Bill Douglas who during the season carried the ball 22 times for a total of 24 yards with an average of 1.6 yards a carry. He also passed the ball 12 times with 5 completes for a total of 145 yards.

NORM RASKIN

Rated as second highest scorer on the Football team is Norm Raskin with 36 points due to touchdown plays. He was also pass receiver and completed 12 passes for a total of 246 yards. The number of times he carried the ball is 78 for a total of 327 with a 4.2 average.

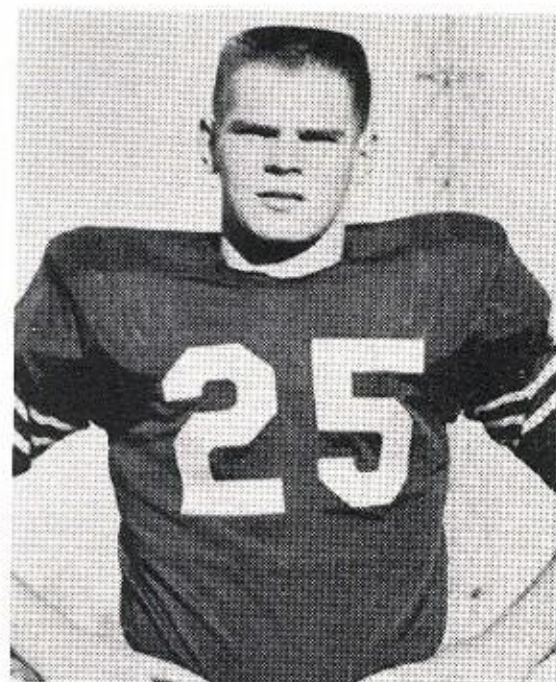

AL TURRENTINE

Al Turrentine, fullback, was rated as one of the great players on the team as he carried the ball 17 times for a total of 60 yards with a 3.2 yard average. He was also awarded a trophy being the most valuable player during the Homecoming Game.

TERRY APPELL

Terry Appell was considered the second best pass receiver on the team as he received and completed 11 passes for a total yardage gain of 225 yards. He also scored two TD's for a total of 12 points. Appell has been quite an asset to the team in the last two years.

JIM BODLE

Bodle is a good gridded and has great leadership ability. As a sophomore he was on the JV squad, and he earned his varsity letter last year. He is speedier than the average prep tackle, and Coach Stew Pike, related that he excels last year's tackles by far..

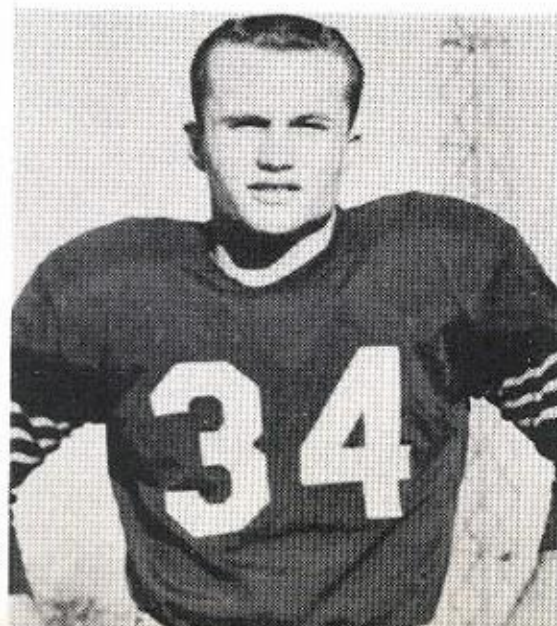

GARY FARR

Gary Farr, 149 pound guard, did a terrific job of blocking at this position and was seen in many of the decisive plays of the games, tackling his man and keeping him down.

DON WATKINS

Another improved player, Watkins was a first string offensive guard on the varsity squad last season. This year he played at the offensive line-backer spot and did quite well in this position.

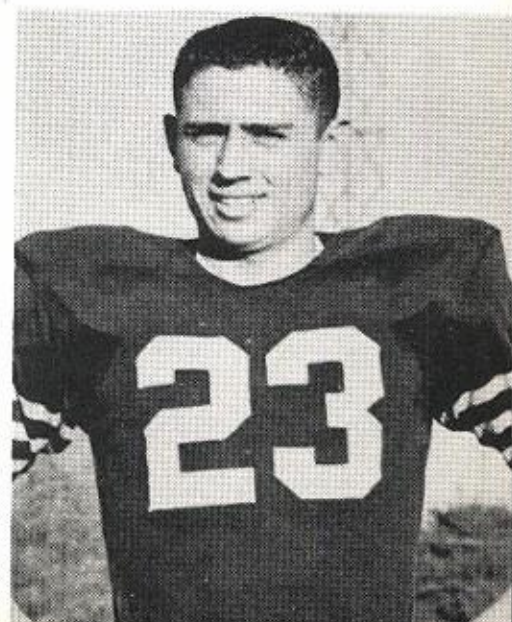

RON NUNO

Fullback Ron Nuno, senior, carried the ball twice for a gain of 18 yards with an average of nine yards per carry, which is a good average in anyone's book.

BOB BAGWELL

Complete statistics for the Oiler varsity football squad's 1957 season of eleven games, including two playoff playoff tilts, show that three-year letterman Bob Bagwell led Montebello scoring and also in rushing.

Joining in the festivities of Homecoming Day are some of the loyal Oilers, who rode in the parade after school.

Catching a touchdown pass Bob Bagwell adds seven points to the Oiler's score.

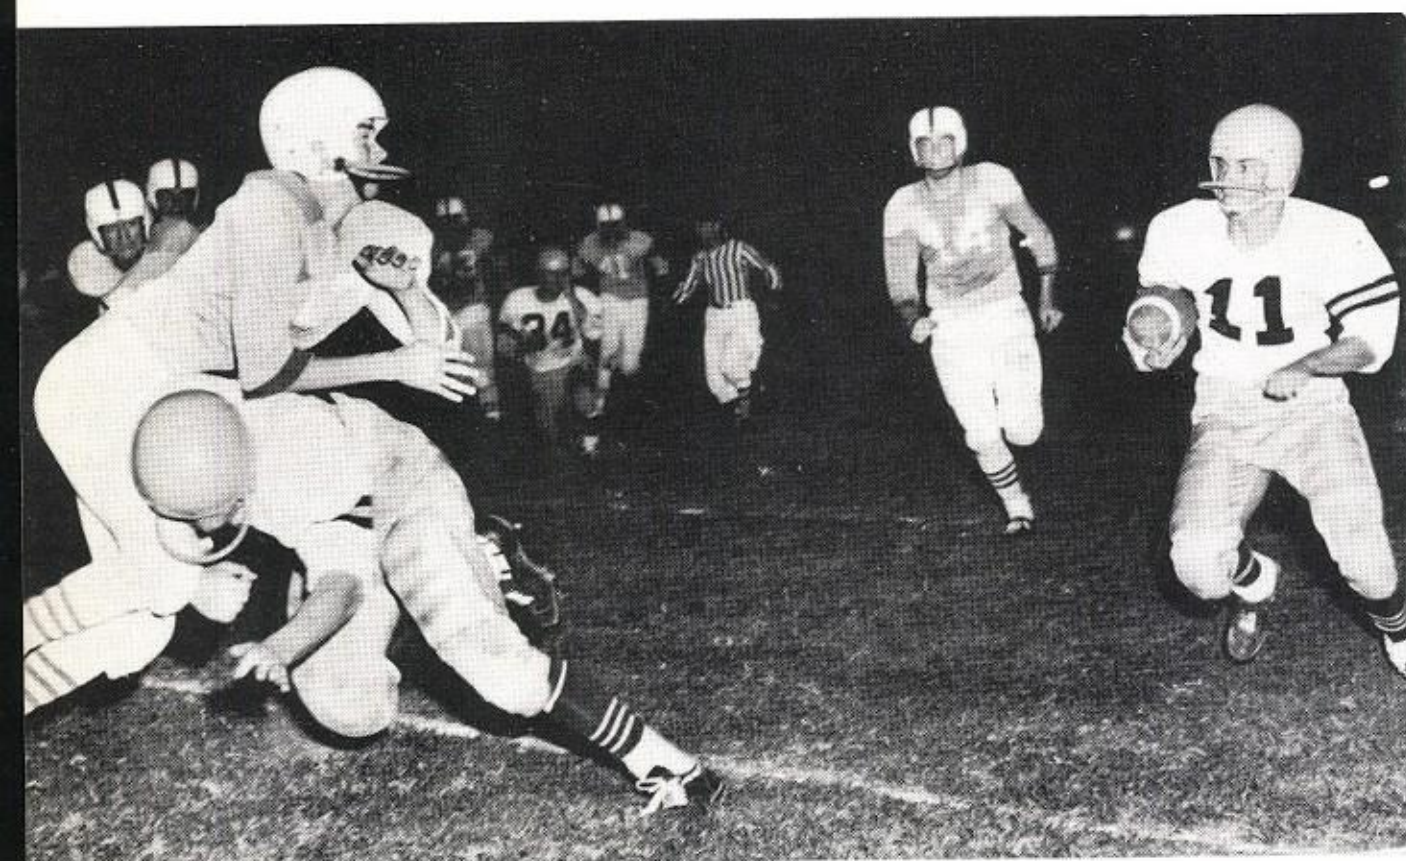

Returning to their old Alma Mater are some of the loyal Oilers of the past.

Montebello 19
El Rancho 8

Loyal Oilers and many Montebello families showed their concern at all of the Montebello games and seemed to be a big factor in the sportsmanship trophy race.

Quarterback Roger Kelly receives good blocking from a team defender who proceeds to open a hole in which Kelly succeeded in making a good gain.

RUBEN GENERA
Half back

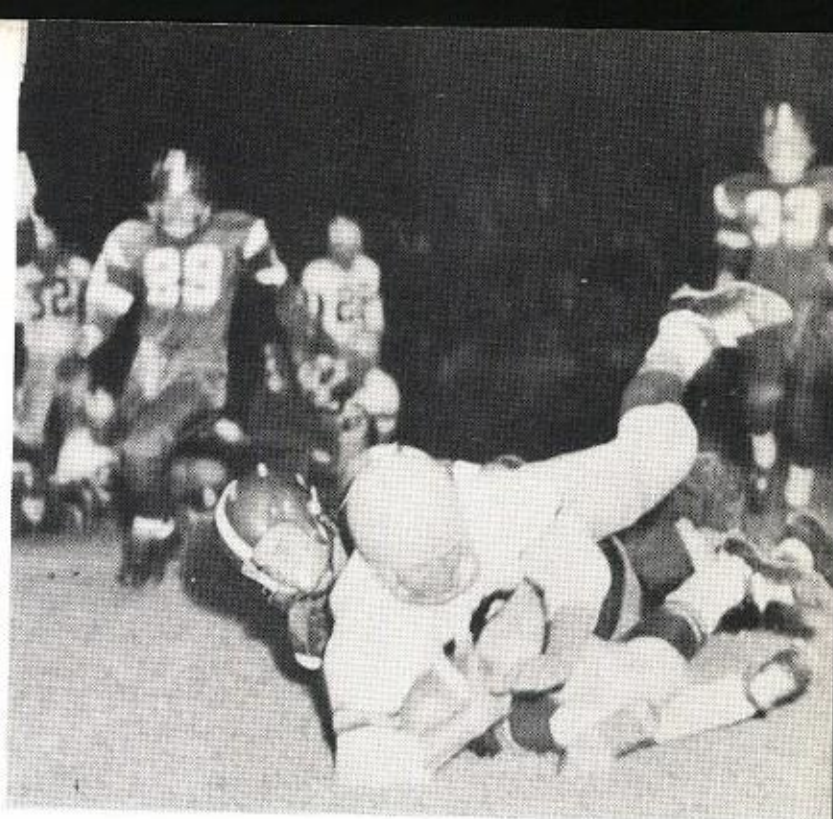

In their first game of League competition the Oilers had a real scare as the Dons scored in the first part of the game to take the lead, only to have the Oilers come from behind to top them by a 19-8 score in this initial SGVL tilt. The Dons lead when Kelly was caught behind his own lines and scored a safety followed directly by a touchdown pass. But the Oilers fought back and Oiler scorers were Bob Bagwell, Terry Appel, and Ruben Genera, who scored the last TD of the game on a six-yard run. Last year's game against El Rancho was almost duplicated this year as they were only one TD away from last years score.

BILL BARTON
Tackle

Montebello 19 Santa Fe 6

Montebello High's varsity gridders got another big scare thrown into them in this game, but a second half rally paid off for the Oilers as they scored their second SGVL victory with a 19-6 decision over the Santa Fe Chiefs, thus remaining in the undefeated, untied ranks of CIF schools. Al Turrentine and Don Watkins were the two most outstanding players of the game.

An Oiler player is met with opposition by a Santa Fe defender on this running play attempt, but still succeeded in making yardage.

Ruben Genera is stopped dead in his tracks by this Chief defender as Bob Bagwell comes to the rescue seconds too late. But the Oilers went on to defeat the Chiefs by a fair margin.

RICHARD GABRIEL
Tackle

GARY FARR
Guard

Montebello 24 Bellflower 6

Coach Stew Pike's varsity footballers lengthened their perfect slate to seven wins no losses when they passed their way to a comfortable 24-6 victory over the fifth-place Bellflower Buccaneers. Roger Kelly led the Oiler passing attack into high gear against the Bucs as he completed six out of ten aerals, three of which were good for touchdowns. Unlike the last games, Pike's grid machine did not wait until the second half to get rolling but kept the ball in circulation throughout the complete game.

With adequate blocking from Simon Lopez and Al Petrushkin, Bob Bagwell runs back considerable yardage to help cinch another Oiler Victory.

Norm Raskin, leads the field of Buc Defenders as he seemingly makes a clean sweep of the gridiron to make considerable yardage.

ROGER KELLY
Quarterback

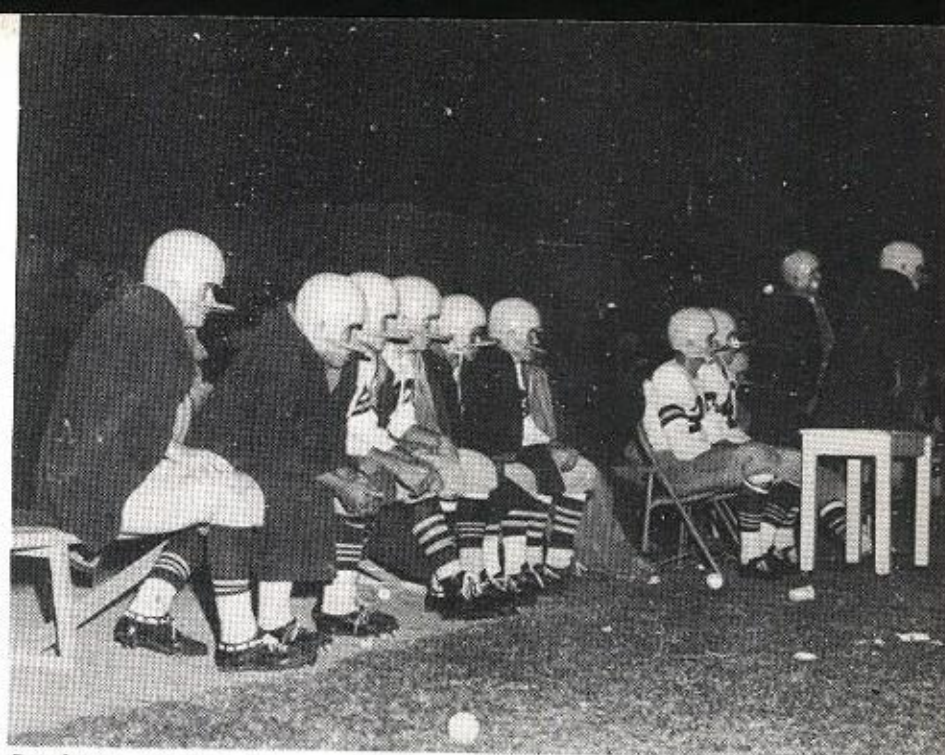

FRANK CRUZ
Guard

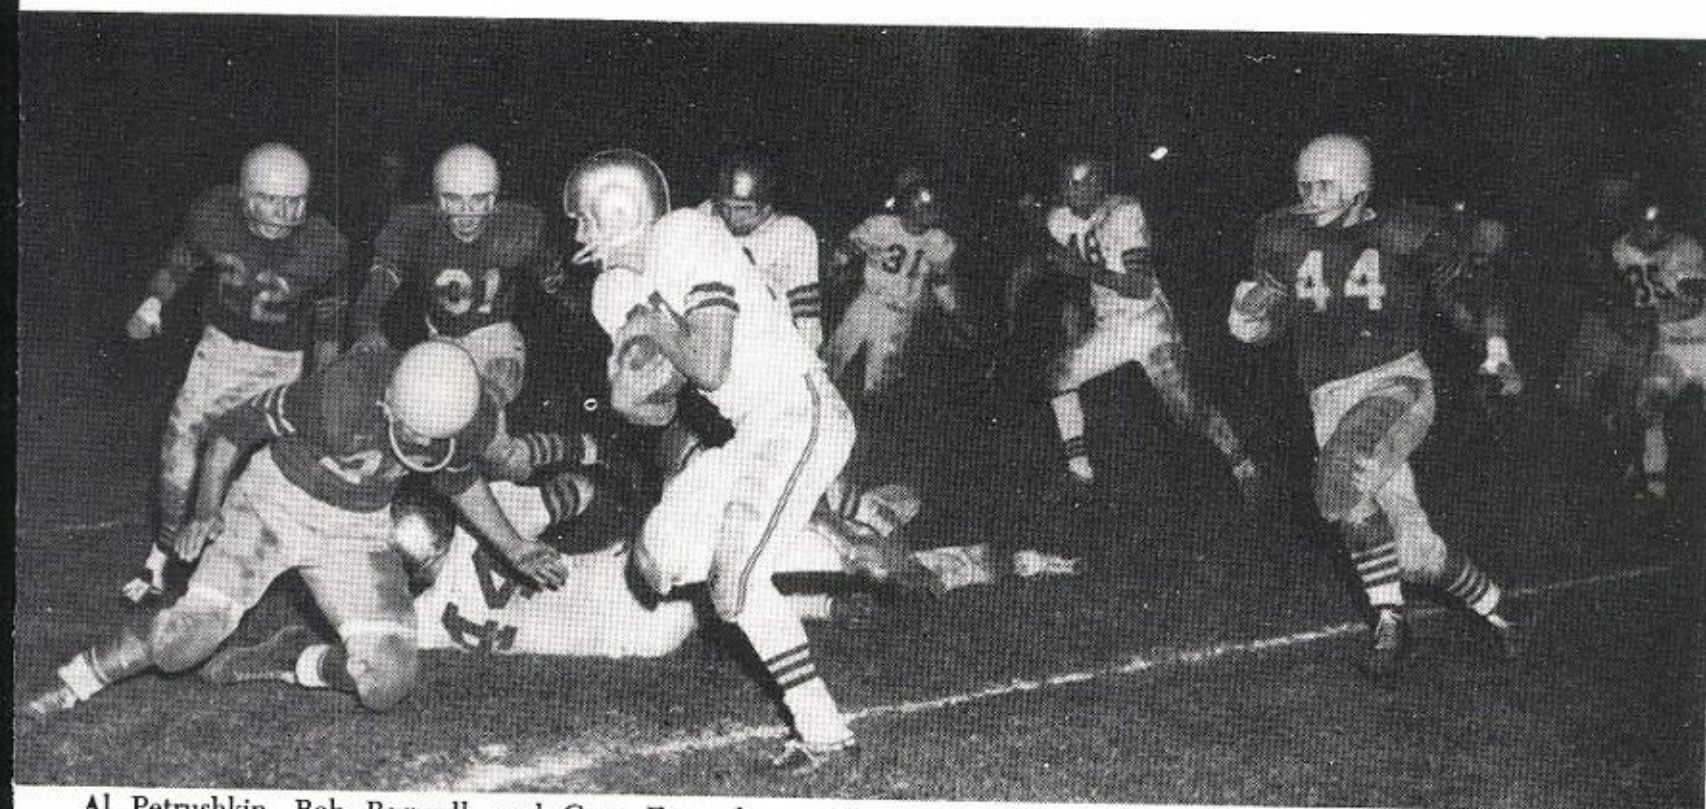

Montebello 27 California 7

Head Coach Stew Pikes halftime advice again saved the day for the Montebello's varsity grid squad, as the Oilers knocked California High out of contention for the SGVL crown with a 27-7 come-from-behind win over the Condors in the next-to-last loop contest.

Looking at the game with hopeful eyes are members of the Montebello squad, as they watch their fellow players cop another victory toward their season's goal.

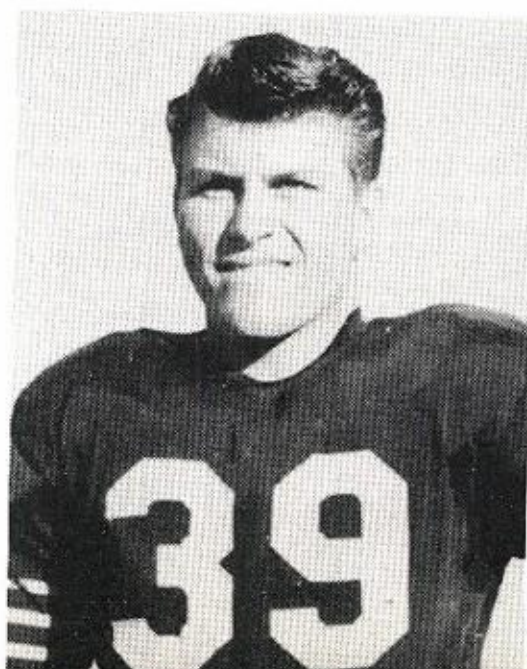

Al Petrushkin, Bob Bagwell, and Gary Farr, desperately attack a Condor opponent in an attempt to stop him from gaining yardage.

DON WATKINS
Guard

AL TURRENTINE
Fullback

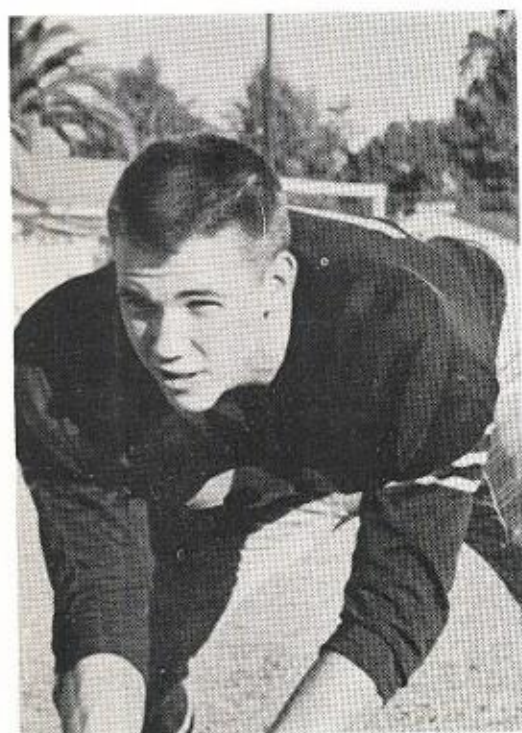

Montebello 13 Excelsior 6

Montebello's gridders gained the title of League champs as they defeated the Bucs 13-6, with this being the second times in a row the Oilers have copped the League title. Bagwell seemed to run the game as he carried the ball 20 times for a total of 118 yards and two touchdowns, while Norm Raskin ran the ball 18 times for 75 yards. Al Turrentine, star player for the first string defense, started the game by recovering a Pilot fumble, and was also seen blocking an attempted field goal. Winning this game entitled the squad to travel to Mt. Sac to meet Chaffey High in CIF.

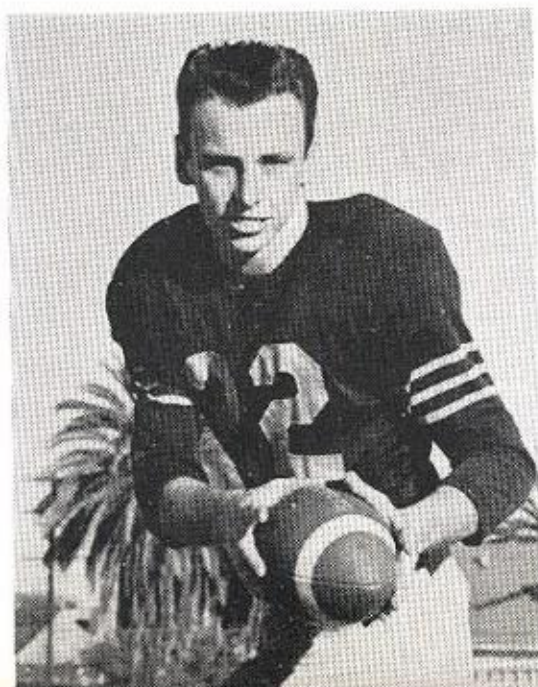

"Get him boys," seems to be what the Pilots are thinking as Halfback Dale Sampson makes considerable yardage for the Oiler squad.

Gliding through the air to help pull down Mighty Bob Bagwell is an Excelsior defender, as reinforcements come to the aid of the Oiler player. The Oilers downed the Pilots by a score of 13-6 to end the season and to gain a second trip to the CIF Playoffs.

BOB BAGWELL
Halfback

Montebello 7 San Diego 27

Bringing the 1957 season to a close, the Oiler Varsity footballers were eliminated from further CIF competition when they were downed by the San Diego Cavemen, 27-7. Good breaks just were not with the Oilers, as they went deep into the Cavemen territory only to lose the ball on a fumble or interception. Due to the Cavemen's outstanding quarterback, Ezell Singleton, they had very little trouble as Singleton attempted six passes and completed six for a total of 140 yards. The Oilers were outdone in statistics for the first time this year, making 274 yards running and passing compared to San Diego's 399.

Quarterback Roger Kelly receives good blocking from a team defender who proceeds to open a hole in which Kelly succeeded in making a good gain.

In their first game of CIF competition, the Oiler gridders met the mighty Chaffey Tigers who held the Oilers back during the first quarter and scored the first half of the game. During the whole season the Montebello team was known as a second half team as they came from behind. Due to terrific passing and running they defeated the Chaffey Tigers and earned the chance to meet the San Diego Cavemen at E.L.A. Junior College the next Friday.

Harvest Hop

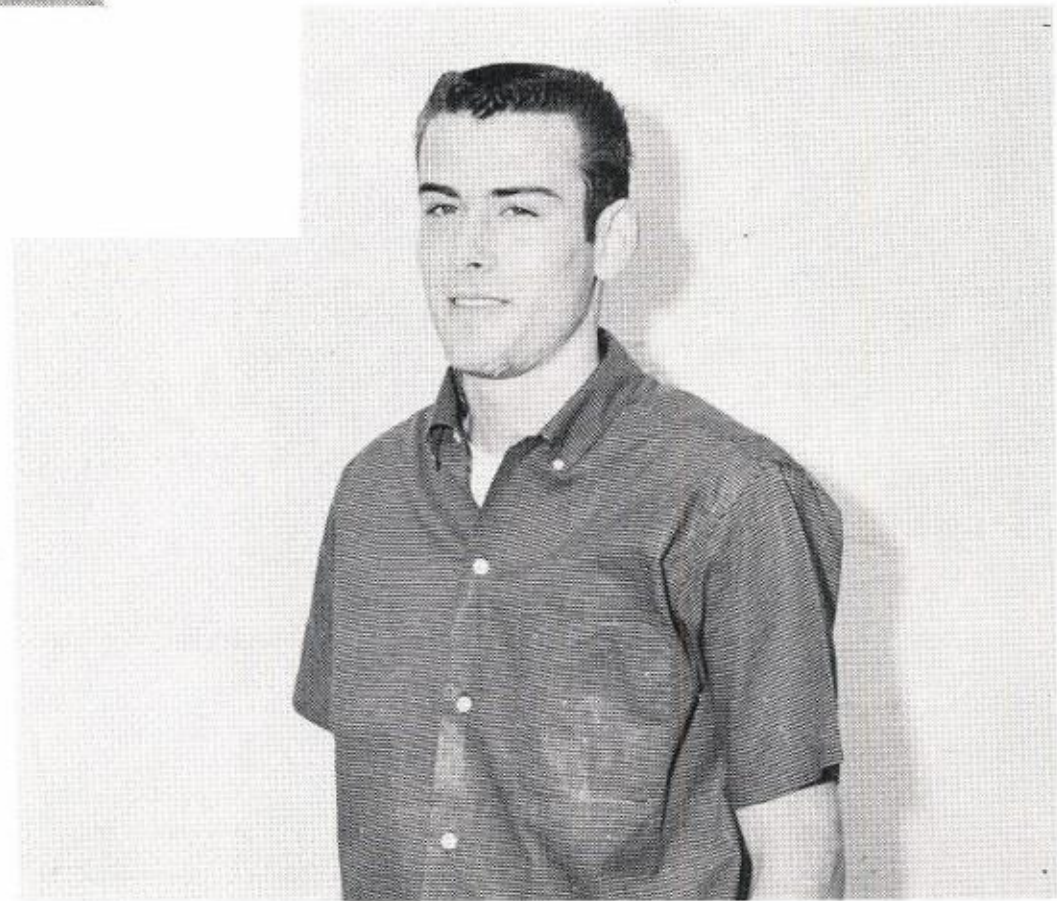

Highlighting the evening was the crowning of Queen Nancy Hohner by ASB President Gary Farr. Her royal court included Bonnie Peachey and Jerry Shelver. The princesses were given a sterling silver necklace.
